

DOW-MIT

ACCESS

PROGRAM

Opening doors and promoting diversity in science and engineering

sponsored by MIT Chemistry, Chemical Engineering, and Materials Science and Engineering

supported by

ACCESS is a weekend of engaging events intended to introduce talented under-represented minority undergraduate students (sophomores, juniors and seniors) to the benefits of a graduate education in science and engineering and related career opportunities.

PROGRAM HIGHLIGHTS

What goes on behind closed doors?

A glimpse into the graduate admissions process from faculty and student perspectives

A day in the life of a science and engineering graduate student

Interactive lab tours

Research 101 workshop

Discovering the research process with current graduate students

Two minute drills

Practice communication and presentation skills with feedback from MIT faculty

Oh the places we will go!

Explore Boston on a Duck Tour, dine on Newbury Street and experience this dynamic college town

Fall Symposium Dates: Sept. 30 & Oct. 1, 2011
Applications for the Fall 2011 Symposium are due July 1, 2011.
