Opening doors and promoting diversity in science and engineering
ACCESS is a weekend of engaging events intended to introduce talented underrepresented minority undergraduate students (sophomores, juniors and seniors) to the benefits of a graduate education in science and engineering and related career opportunities.

**PROGRAM HIGHLIGHTS**

**What goes on behind closed doors?**  
A glimpse into the graduate admissions process from faculty and student perspectives

**A day in the life of a science and engineering graduate student**  
Interactive lab tours

**Research 101 workshop**  
Discovering the research process with current graduate students

**Two minute drills**  
Practice communication and presentation skills with feedback from MIT faculty

**Oh the places we will go!**  
Explore Boston on a Duck Tour, dine on Newbury Street and experience this dynamic college town
