Congratulations to the following ACCESS alumni who have been selected to receive a 2012 National Science Foundation (NSF) Graduate Research Fellowship Program (GRFP) Fellowship. Their selection was based on their outstanding abilities and accomplishments, as well as their potential to contribute to strengthening the vitality of the US science and engineering enterprise.

Sheryl Chocron, University of Florida
Jeremy Feaster, Georgia Tech
Alexandra Landry, NC State
Brian Perea, Arizona State
Stacy Ramcharan, Columbia
